**Breast Cancer Action Kingston**

- BCAK is a volunteer-based organization, dedicated to the education, support and empowerment of persons affected by breast cancer.
- BCAK is committed to raising awareness of the scope of breast cancer, educating women and men as well as the public about the benefit of breast self-examination and early detection and battling against the rising incidence of breast cancer.
- One third of our proceeds will help fund local research into the cause and care of breast cancer, while the remainder will help fund our support services and education programs.
